RE: Reference Letter for Gerard Hudspeth and The LDM Group

To Whom It May Concern:

It is with great pleasure that I recommend Gerard Hudspeth and The LDM Group for any litigation support needs.

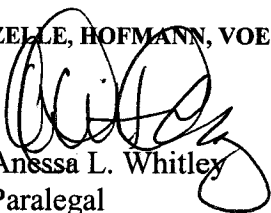

LDM was most helpful on a *very* document intensive case, especially in helping with us with the very prominent issues regarding E-Discovery. Their work product was outstanding and they helped us with not only preparing our documents to add to our database for review and production, but also helping to complete and forward some of our productions with extremely tight deadlines. They did all of this with excellent quality.

It has been a pleasure working with Gerard this last year. He handles himself with the utmost professionalism and is very personable. He was a true asset to me. I am an extremely particular person when it comes to work product and having Gerard take care of things was like I was handling it myself. His attention to detail is unsurpassed.

I am happy to give Gerard and The LDM group my wholehearted endorsement.

Sincerely,

ZELLE, HOFMANN, VOELBEL, MASON & GETTE LLP
